E-Series information

Description

Smith and Nephew is planning a series of live webinars which will examine the varying fracture treatment methodologies that are used globally

This E-series is designed to address the difficult challenges which orthopaedic trauma surgeons face in fracture management, and to learn from experts in this field of how best to overcome them.

Please join Smith+Nephew each **Tuesday at 09:00am, Eastern Standard Time (+5 GMT)** as key opinion leaders and expert faculty from around the world guide us through this series of webinars.

The series will start first with "Hip Fractures" and then progress to "Upper Extremity Fractures", "Lower Extremity Fractures" and finally "Challenging Cases".

The format will consist of didactic and case presentations and panel discussions with interactive audience polling. All participants are welcome to ask questions and add their experiences to the discussion. A recording of each session will be available for later viewing and additional discussion opportunities.

Accreditation

Accredited by the Royal College of Surgeons of England.

Invited Faculty

- Dr R Sanders (USA)
- Dr D Chan (USA)
- Mr S Mitchel (UK)
- Mr A Trompeter (UK)
- Dr T Watson (USA)
- Dr D Watson (USA)
- Dr K Ravi (USA)
- Dr A Animesh (USA)

And more to come...

Learning objectives

- Outline, classify and formulate a treatment plan for complex fractures
- Gain confidence in the surgical management of complex fractures

Code of ethics

All healthcare professionals must comply with their local guidelines and regulations regarding the costs associated with any meeting. Smith & Nephew, Inc. is committed to following the relevant code of ethics and limits attendance at company sponsored events to healthcare professionals with a bona fide professional interest.

Course Certificates

The Smith+Nephew Global Medical Education E-Series content is accredited as it has been transferred from the face to face to the online. It is accredited by the RCS as part of the centre accreditation. Each webinar has been recognised by the RCS as equivalent to one CPD point for the purposes of Continuing Medical Education (CME). Delegates will receive a certificate of attendance on completion of the course. Such certificate of attendance will be provided only to delegates who attend the entire webinar, unless there are exceptional circumstances, on post webinar survey completion. The course organizer will assess any exceptions for legitimate reasons.
